Rocky:

You must have made us look good again, as apparently you probably contributed most significantly to the recovery of the Standard Rent-A-Car vehicle. For your information I received a letter dated June 23, 1995 that shows the cooperative spirit between our agency and yours, as well as praise from the victim Standard Rent-A-Car.

Again, thanks for your excellent performance in this joint adventure, which has grown to become an ongoing expectation of the police department.

Sincerely,
